Third session

Luxor, 23-27 October 1979

ADDENDUM TO INFORMATION NOTE

Travel and hotel arrangements

1. The Egyptian authorities have informed the Secretariat that they have been able to reserve 50 seats on flight MS-321 leaving Cairo for Luxor at 7.15 a.m. on 23 October 1979 and on a return flight to Cairo on 28 October 1979. It is thus no longer necessary for participants to make their own reservations for the journey from Cairo to Luxor and return.
2. It is, however, essential that Dr. Shehata Adam be informed as soon as ever possible of the names of participants and their expected time of arrival in Cairo. If it is not yet possible to provide the names of those who will represent them, States Parties are requested to inform Dr. Shehata Adam of the number of persons who will form part of their Government's delegation. This information is required to enable Dr. Shehata Adam to confirm the reservations on the flights from Cairo to Luxor and return and the hotel reservations in Luxor. Participants are reminded that they should make their own firm hotel bookings in Cairo (details of which were provided in document CC-79/CONF.003/INF.1 Rev. dated 27 July 1979).
3. Dr. Shehata Adam can be contacted at the following address :
