Please select your choice from the two options for the field trips in Annexure D and complete the booking form in Annexure B.

4. TRAVEL VISA, INSURANCE, AIRPORT TAXES, ARRIVALS AND DEPARTURES

4.1 Travel Visa and Insurance

Every visitor to South Africa must have a valid passport. Passport holders from more than 80 countries can visit South Africa without a visa. Information regarding visas can
be obtained from the website [www.home-affairs.gov.za/migration/visas/schedule.htm](http://www.home-affairs.gov.za/migration/visas/schedule.htm) or the South African diplomatic or consular representative in your area. Visa application forms may be downloaded from the website [www.home-affairs.gov.za/documents/bi-84.pdf](http://www.home-affairs.gov.za/documents/bi-84.pdf). Delegates requiring visas, and who intend taking tours to neighboring Southern African countries, are advised to secure a multiple entry visa. Visas cannot be obtained on arrival. Delegates/Tourists must satisfy immigration officers that they have the means of support for the duration of their stay in the country and return/onward tickets.

It is recommended that participants have travel insurance coverage prior to arriving in South Africa.

4.2 Airport Taxes

Airport Departure Taxes vary from one airport to another but will always form part of the cost of your air ticket.

4.3 Airport Arrivals and Departures

On arrival at Johannesburg International Airport you will proceed through the immigration desk, collect your luggage and proceed through the green door of the “clear customs” area (unless you have something to declare).

There will be Welcome Desks at both Johannesburg International Airport and Durban International Airport on 9, 10 and 11 July 2005 to assist delegates on arrival. It is of the utmost importance that you do inform Turners Conferences and Conventions of your flight details (Annexure B) to enable them to assist you on arrival.

If you are scheduled to arrive outside of these dates, please reserve your transfers with Turners Conferences and Conventions. A company representative who will have a name board displaying your name will then meet you in the International or Domestic Arrivals hall.

On departure, transport will be provided from the hotels to the airport as long as you book it in advance with Turners Conferences and Conventions. (See Booking Form at Annexure B.)

Should you not have been able to obtain South African Rand in your country, you will be able to do the exchange at the airport or at the ICC.

4.4 Transportation from Airport to the ICC and Hotels

We recognize that you will have traveled a long way to attend the conference and are committed to providing you with a smooth and comfortable transfer between Durban International Airport and your hotel. A pre-booked and pre-paid transfer costs R100 per person one way. A transfer paid on arrival costs R120 per person (one way). Uniformed personnel will be at the airport welcome desk to assist you (on official dates only). Look
for the World Heritage Committee meeting banner. You will be taken directly to your hotel.

4.5 Car rental

Cars can be rented in South Africa from local or international companies. You will require a valid international driver’s license to rent a car. Drivers and all passengers must wear seat belts. There is a speed limit of 120 kilometers per hour on freeways and 60 kilometers per hour on urban roads. All cars are right-hand drive (drive on the left-hand side of the road) with manual gear change. Hired cars may not normally be driven across the border to other African countries. Please contact Turners for rates and reservations.

5. VENUE

The venue of the 29th session of the World Heritage Committee is the Durban International Convention Center (ICC), 45 Ordnance Road, Durban 4001, South Africa. The ICC is centrally located and just a quarter of an hour from the airport, and within minutes from hotels and beaches. Palm trees form a welcoming avenue while at the entrance to the Center three baobabs, Africa’s tree giants, bid a regal greeting.

6. PARTICIPANTS/REGISTRATION/ACCREDITATION

6.1 Participants

The primary participants at the 29th session of the World Heritage Committee will be the 21 members of the Committee.

States Parties to the World Heritage Convention that are not members of the Committee may send representatives to the session as observers.

Non-States Parties to the Convention that are Member States of UNESCO or of the United Nations may also be permitted by the Committee, upon written request, to attend the sessions of the Committee and its Bureau as observers.

Representatives of the International Centre for the Study of the Preservation and Restoration of Cultural Property (ICCROM), the International Council on Monuments and Sites (ICOMOS), and the World Conservation Union (IUCN) will attend in an advisory capacity.

The United Nations and organizations of the United Nations system, as well as, upon written request, other international governmental and non-governmental organizations, permanent observer missions to UNESCO and non-profit-making institutions having activities in the fields covered by the Convention, may be authorized to participate in the sessions of the Committee.
6.2 Pre-Registration

We encourage all participants to pre-register before the Conference via internet. This will ensure that your full registration pack is readily available on your arrival. This will assist the Conference Organizers, as well as the UNESCO World Heritage Centre, to prepare an accurate List of Participants. For pre-registration please complete the registration form at the following address: www.29whc.org

PLEASE NOTE: As part of the registration process it is imperative that we receive one photograph of the registering delegate either by e-mail or mailed to the organizers in order to collect your conference bag with all the relevant information on arrival.

6.3 Accreditation in Durban

On arrival participants will be taken to their hotels and thereafter to the International Convention Centre for registration. Every delegate will be given a bag containing the information on the World Heritage Committee session and badge. For security purposes, please wear the badge when attending the meeting, other activities and excursions.

7. ACCOMMODATION & OPTIONAL EXCURSIONS

7.1 Hotel Reservation

10. GENERAL INFORMATION

10.1 Survey of Durban

The city of Durban, in the province of KwaZulu-Natal, situated on the subtropical East Coast, is South Africa’s third largest city and a prime tourist destination in Southern Africa. The city surrounds Durban Bay, the busiest port in Africa and is the world’s ninth largest. Superb air and land transport infrastructure exists, with many of the major international airlines flying directly to South Africa. Durban is nestled on the coast of the warm Indian Ocean with golden beaches, parks, museums, theatres and world-class shopping malls. Durban’s subtropical weather is sultry in summer and mild in winter, with an average of 320 sunny days per year. Durban is noted for its rich cultural diversity and delegates will be greeted by a kaleidoscope of, amongst others, Indian, Colonial and African traditions that have prospered in the city, giving rise to a wide variety of cuisine, restaurants, arts and crafts, and ethnic dance forms. Within a two-hour drive from Durban, delegates can be on safari at a game reserve, visiting traditional Zulu villages,
hiking or trout fishing in the majestic Drakensberg Mountains. KwaZulu-Natal boasts two World Heritage properties – one in the Drakensberg mountains (uKhahlamba), which contains one of the highest waterfalls in the world, and the St Lucia Wetlands Park, which is adjacent to Sodwana Bay, the site of the recent rediscovered coelacanth. To further explore Durban and KwaZulu-Natal, visit http://www.southafrica.net and http://www.durban.org.za/

10.2 Local Transportation

A free shuttle service between the International Convention Centre and the official conference hotels will be provided. Buses will transport delegates from the hotel and the ICC in the morning and back to the hotel at the end of the day’s session. Mini vans will be on standby during the day to shuttle delegates between the hotels and the ICC.

For any other private transport requests, Turners Conferences will be able to assist you to obtain a taxi service. Normal rate for a local taxi from the ICC to the city centre is approximately R20 (one way).

10.3 Currency Policy

The currency unit in South Africa is the South African Rand (ZAR) and is indicated with a capital R so that, for example, three Rand and fifty cents would be written R3,50. South Africa has a decimal currency system with one Rand equaling 100 cents. Denomination of Rand notes are R200, R100, R50, R20, and R10 and of the coins are R5, R2, R1, 50c, 20c, 10c, 5c, 2c, and 1c. The following exchange rates were applicable on 1 April 2005:

1 United States Dollar = ZAR 6.18
1 British Pound = ZAR 11.68
1 Euro = ZAR 8.02

Facilities for cashing traveler’s cheques are available at the International Convention Centre. This Foreign Exchange office will be open on both Saturday 9 July and Sunday 10 July 2005 for the benefit of arriving delegates. This facility of also available at banks (operating hours weekdays 09h00 – 15h30, Saturdays 08h30 – 11h00) and at most hotels. Banks are closed on Sundays. Automatic teller machines are open 24 hours and are located at most banks. You are permitted to take ZAR500 in South African bank notes out of the country, thereafter a levy is charged on additional amounts.

10.4 Driving Licenses

Foreign Delegates with valid International Driving Permits are permitted to drive in South Africa.
10.5 Electricity Supply

The electricity supply is 220-240 volts, 50 Hz. The connection for appliances is a round three-pin plug. Adaptors will be available at the ICC. Most hotels provide dual-voltage two-pin razor sockets (100-120 volts and 220-240 volts).

10.6 Postal Service

Post Offices generally open from Monday to Friday from 08h30 to 16h00. Hotel reception desks will also be able to assist you with postal and courier services.

10.7 Smoking Regulations

Smoking is prohibited by law in most public buildings in South Africa (airports, International Convention Centre Durban, etc), except in some that have specially designated areas where smoking is allowed.

10.8 Time

Time in South Africa is two hours ahead of Greenwich Mean Time (GMT)

10.9 Weather

The weather in Durban in July is normally mild and pleasant, with temperatures ranging between 24°C during the day and 14°C overnight. It is recommended that you bring some warm clothes for the evenings, and a jacket or raincoat.

If you intend participating in the field trip it is advisable to bring warm clothes. Temperature in the Drakensberg can fall below zero during night and some light snow might occur high in the mountains.

10.10 Health

If you will be traveling from one of the countries listed below, then you will be required to have a yellow fever vaccination before entering South Africa. This list is subject to change and it is advisable to consult the website: www.doh.gov.za for the most updated information just before you leave.

**South America:** Bolivia, Brazil, Colombia, Ecuador, French Guyana, Guyana, Panama, Peru, Surinam, Venezuela

Although Durban has no health risks, certain areas of the country, including the north-eastern half of KwaZulu-Natal are malaria regions. If you anticipate traveling to a malaria area it is essential that you take prophylactics before arrival and the necessary
precautions while in the area (e.g. protective clothing, insect repellents). South African doctors and dentists are highly trained and hospitals are well equipped. It is strongly advised that delegates take appropriate health insurance prior to their arrival.

It is safe to drink tap water throughout South Africa. However, for those who prefer bottled mineral water, it is readily available in various stores and hotels.

OPTION 1: DRAKENSBERG/uKHAHLAMBA (MIXED PROPERTY)

The Drakensberg contains landscapes and features of exceptional natural beauty, including the mountain barrier with its jagged high peaks and intervening spurs, the high escarpment walls of dark basalt lying above the light coloured Clarens Sandstone, pristine steep-sided river valleys and rocky gorges, grasslands, thickets and waterfalls. A total of 2153 species of plants have been described in the Park and the fauna life is equally rich.

The Drakensberg region ranks as one of the most important archaeological areas in South Africa – from Early, Middle and Late Stone Ages, as well as the Late Iron Age. The first evidence of human occupation dates from the Middle Stone Age (20 000 years ago), but it was the Late Stone Age people – the San – who inhabited the area. The San were hunter-gatherers and often lived in caves and rock shelters, many of them adorned with rock paintings.

Depart for the Drakensberg/Ukahlamba.

OPTION 2: GREATER ST LUCIA WETLAND PARK (NATURAL PROPERTY)

There are few comparable protected coastlines within the tropics as pristine as St. Lucia’s. The Park is one of the outstanding natural wetland sites of Africa. It lies on a tropical-subtropical interface with a wide range of terrestrial, wetland, estuarine lake, coastal and marine environments, which are scenically beautiful and basically unmodified by people. There include coral reefs, long sandy beaches, coastal dunes, lake systems, swamps, and extensive reed and papyrus wetlands, critical habitat for a range of species from Africa’s sea, wetlands and savannahs. The interaction of these environments with major floods and coastal storms in the Park’s transitional location have resulted in exceptional species diversity and ongoing speciation.
