 Valletta World Heritage Site
 Boundary 1980

The boundaries of Valletta are defined by the shoreline of the Valletta peninsula on three sides. The shoreline is defined to include all land exposed at Lowest Astronomical Tide. On the fourth (South-Western) side, the boundary was defined by the outer limit of the ditch protecting Valletta's land-front, and separating it from the suburb of Floriana.

The above definition represents the description of the property in the 1979 nomination.

These boundaries were agreed upon in November 2009 by the :-
 Ministry for Tourism & Culture;
 Superintendent of Cultural Heritage;
 Malta Environment & Planning Authority;
 Valletta Rehabilitation Project, and
 Ambassador & Permanent
 Representative to UNESCO.
