24 April 2012

Subject: **Online platform – 2nd cycle of the Periodic Reporting exercise for Europe and North America**

Dear Madam/Sir,

I am writing to you to inform you that, within the framework of the second cycle of the Periodic Reporting exercise for Europe and North America, the World Heritage Centre is developing an online platform to facilitate the access of National World Heritage Focal Points and Site Managers to all relevant information regarding this process.

In order to integrate national efforts towards the implementation of the second cycle of the Periodic Reporting exercise in the online platform, we would like to invite you to provide us with information about existing online World Heritage monitoring tools in your country. We will gladly link them to the website of the World Heritage Centre, if you send us a valid web address.

As soon as the Periodic Reporting online platform is established, we will contact you.

May I take this opportunity to thank you for your cooperation and support in the implementation of the *World Heritage Convention*.

Yours sincerely,

Petya Totcharova
Chief, Europe and North America Unit
World Heritage Centre
