**Subject : Second Cycle of the Periodic Reporting Exercise for Europe and
North America**

Madam/Sir,

As you certainly know, in the framework of the Second Cycle of the Periodic Reporting exercise in Europe and North America, the World Heritage Centre pre-fills parts of Section I and II with data which is available at the World Heritage Centre. In the process of pre-filling, we have noticed that a certain number of maps are incomplete and/or need to be revised. Therefore I would like to inform you that in the following weeks, States Parties concerned will receive letters asking for the submission of new maps.

I thank you once again for your cooperation and for your support in the implementation of the *World Heritage Convention*.

Please accept, Madam/Sir, the assurances of my highest consideration.

Director
