NOTES

- **Resource Panel** will consist of representative of WHC, ICOMOS, IUCN, UWI History Professor and other experts. Individuals include: Alissandra Cummins, Alessandro Balsamo, Professor Alvin Thompson, Maurizio Di. Stefano, Patricia Green and Susan Otuokon.

- **Presentation of country reports & draft nomination files + Q&A** - each country presentation is allocated 15 minutes for participant presentation and 15minutes for questions and answers.

- **Presentation of reworked nomination files** – each country presentation is allocated 10 minutes.

- **Working session Review / rework of nomination files** – these sessions are anticipated to be 'hands-on' session with input from resource panel as indicated in the programme. For this to be beneficial to all participants, participants must have draft documents (or part thereof) present at the training. This will be the opportunity to get 'solid' feedback from the experts who will be present.

- The assignment of Chair to participants is one way to get all participants actively involved in the session. The Chair will be in charge of ensuring that the session runs smoothly and will be assisted by a timekeeper/rapporteur to ensure that the sessions are kept within the allocated time period.
