1. Updates on the management of the Centre (Governing Board, Staffing, Operational funding and premises) – particularly on meetings of the Governing Board and key decisions adopted

The Advisory Committee met on January 2015 to put forth its recommendations to the Governing Board with regards to the performance of the centre. These recommendations highlighted the need to have a proactive approach in implementing the Convention in the region, in light of recent instability and conflict in a number of Arab States. The Committee also recommended improvements in communication with partners in addition to the need of implementing an effective fund raising strategy. The Governing Board, which met on February 2015, adopted all recommendations put forth by the Advisory Committee, and requested the Secretariat to incorporate these decisions in the plan of 2015.
