### **NEW 4a) to add to existing amendment by Tunisia++**

Recommends that the State Party invites a joint World Heritage Centre/ICOMOS advisory mission to the property as soon as possible to jointly establish an immediate action plan and roadmap for the development of a detailed conservation and emergency stabilization and conservation plan for the property. On the basis of such phased and costed action plan, immediate efforts would then be made with the assistance of the world Heritage Centre and ICOMOS to find partners, technical support and donors to support this large scale, international conservation project;
