Third UNESCO Member States Consultation on the Implementation of the 2011 Recommendation on the Historic Urban Landscape

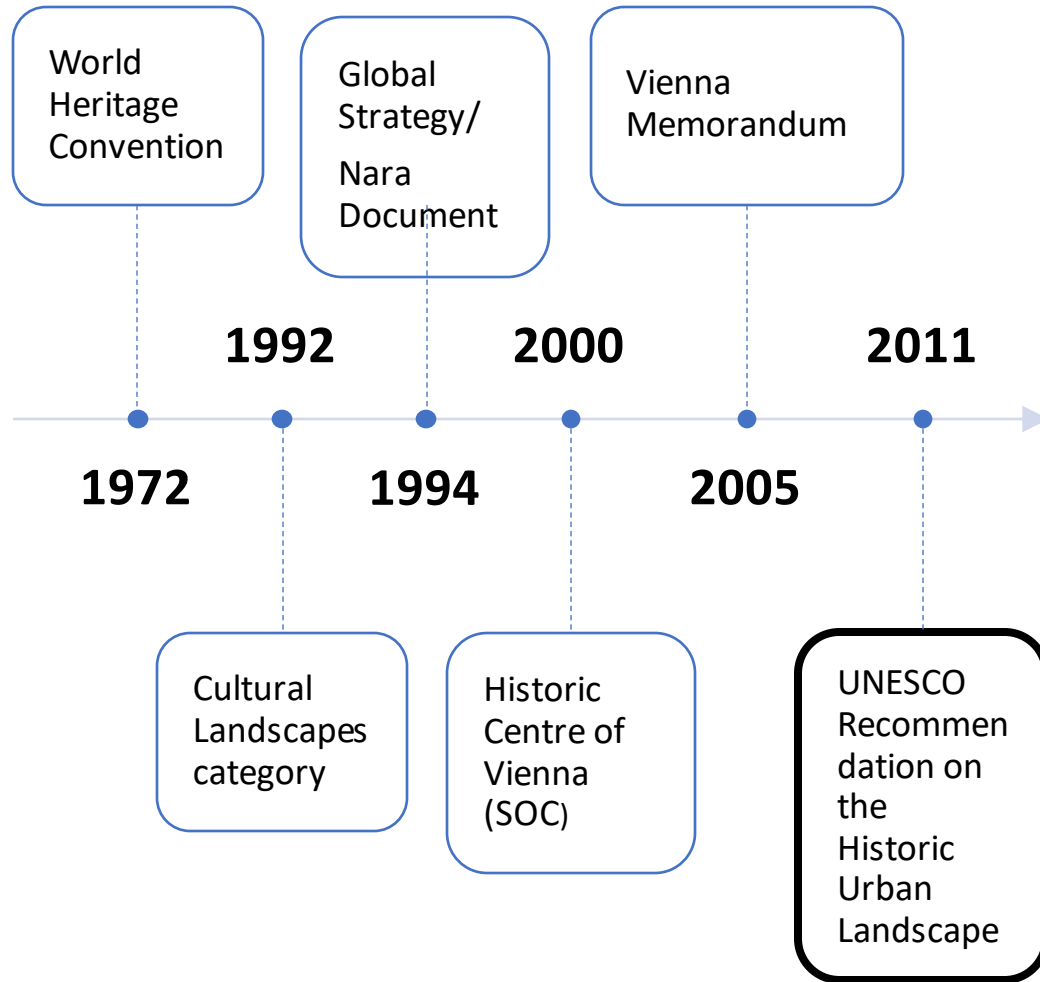

HUL Survey Training

Jyoti HOSAGRAHAR
Deputy-Director

UNESCO World Heritage Centre

From Monumental Preservation to Culture for Sustainable Development

“The HUL approach shifts emphasis from the monumental architecture to the conservation of urban values that undergird the life of the city.”

Keywords: landscape approach, local specificities, the city as a process, traditional building practices, all historic cities, protection and sustainable development

UNESCO Member States Survey on the Implementation of the Recommendation on the Historic Urban Landscape

Consultations on the implementation of the HUL Recommendation by the UNESCO Member States:

Every four years, Member States are invited to report on the implementation of the HUL Recommendation in their country.

- First UNESCO Member State Consultation **(2015)**
- Second UNESCO Member State Consultation **(2019)**
- Third UNESCO Member State Consultation **(2022)**

2022 UNESCO Member States Survey on the Implementation of the Recommendation on the Historic Urban Landscape

The survey questions in both Section A and Section B are organised in six thematic areas, covering the key objectives of the 2011 HUL Recommendation:

1. Governance and planning.
2. Urban heritage attributes and layering.
3. Inclusion and participation.
4. Inclusive economic benefits.
5. Sustainable development and climate resilience.
6. Knowledge and capacity building.
