The logo is inspired by ancient seals that reflect types of inscriptions, symbols and allusions indicating archaeological sites and ancient heritage.

The elements of the Nabataean letters engraved on the rocks were used in the logo to form the word "world heritage".
The brand includes a set of icons. These icons can be used by themselves or repeated together as a pattern. All icons must be resized proportionally.

Examples of shape-based patterns. Some are formed from a single repetitive shape while some are a mix of multiple shapes.

Tours

Al-Turaif

Located in Diriyah, Al-Turaif is included in the UNESCO World Heritage List. In this district, we travel through time and bear witness of the turning points in the history of Saudi Arabia, when Diriyah was the capital of the first Saudi state, and the home of merchants in the Arabian Peninsula. Subsequent to the visits, we additionally suggest organizing National Day activities in the historic neighborhood, in order to provide the attendees with an ultimate Saudi Experience, starting from a historical point to reach a present cultural environment, away from the crowds and in a controlled and safe environment.

Al Masmak Palace

The palace was constructed in the hijri 14th century during the reign of Imam Abdullah bin Faisal as his residence and the centre of power and money. Today, the palace stands as a symbol of the history of regaining power and rule of the country displaying in its corridors the features of that era and its leaders after it had been turned into a museum in 1416/1995. The visit includes a tour of the Palace Museum, which tells the features of that period and the history of its leaders in its exhibition halls. Additionally, Al-Daho Quarter and Souq Al-Zal will be covered.
Tours

JAX District

Defined as the space between Paradoxes and Complementarity. Come and discover the Jax District, one of the most exciting creative areas of Riyadh. Once a forgotten industrial area in Ad-Diriyah, Jax has become revitalized as a hive of creativity, with exhibition spaces, artists’ studios, art galleries and platforms all supporting a dynamic and growing arts ecosystem. Here you’ll find a completely unique hub experience since it offers works indoors giving you the ambiance of contemporary galleries or art fairs at a world-class festival. But that’s only half the story. Jax is both the place and the people behind it - celebrate this unique space as we throw open the doors to spaces, artist studios and workshops.

Souq Al-Zal

Found in Al-Dirah neighborhood in the heart of Riyadh, about 5.4 km from Al-Murabba historical palace. The souk covers an area of 38,000 square meters. It is one of Riyadh’s oldest traditional markets that carries 100 years of history within its alleyways. As soon as you start your tour in Souk Al-Zal and hear the sellers’ voices in the auctions, you will feel that you have traveled to the past of the city.

This visit is included in the main visit of Al Masmak Palace, with Al-Daho Quarter.
Al-Daho Quarter
The last remaining neighborhoods of old Riyadh, located on the eastern side of Wadi Hanifa, southwest of the Palace of Government, Al-Daho neighborhood has been standing tall for 200 years in the capital, Riyadh, and it is the last of the old neighborhoods that preserved its traditional Najdi architecture.
