We will be using al dalam street for stagging our busses at 17:30.

Staging supervisor and staging marshalls will be at the dalam street from 16:00 to secure the area for our busses.

The parking will be blocked by cones.

The busses will be parked in the parking area not in the road to avoid traffic jams.

The busses will move from stagging area to load zone at 21:00 till 23:30.

All the movement will be monitored as per requirement.
Opening Ceremony Murabba Operations

General Delegations Drop-off and Load Zone Operations

Ingress plan to drop general delegates and also will be used for pick up of the guest later.

Busses will be dropping the guest at Murabba starting from 5:30.

Marshall will be on ground to guide the buses.

Load zone is divided into 5 zones.

Exit Route Staging will be used once general delegates are dropped.

Exit Route Departure will be used for load zone exit plan.
