

LAUNCH OF THE ENHANCING OUR HERITAGE TOOLKIT 2.0

Ensuring Effective Management of World Heritage Properties

UNESCO HQ, IN CONJUNCTION WITH THE 24TH WORLD HERITAGE CONVENTION GENERAL ASSEMBLY

13.00 - 14.00, 23 NOVEMBER 2023, CONFERENCE BAR

The *Enhancing Our Heritage Toolkit 2.0* (EOH 2.0) is out! This resource manual, prepared through the work of more than 200 professionals and over a 10-year period, offers a practical self-assessment methodology to identify how well a World Heritage property is being managed. Using the twelve tools included in the Toolkit site managers can identify how to improve management systems and how to better prepare management plans.
