

World Heritage Fund

Notes to the Financial Statements
for the biennium ended 31 December 2007

1. Objectives

The World Heritage Fund (WHF) was established as a Trust Fund of the United Nations Education, Scientific and Cultural Organization (UNESCO) further to the adoption on 16 November 1972 of the convention for the protection of World Cultural and Natural Heritage by the seventeenth session of the General Conference of UNESCO, with the objective of complementing the protection of cultural and natural heritage of outstanding universal value. An intergovernmental committee, called the World Heritage Committee, was established by the same convention to decide on the use of the resources of the WHF. The Committee is assisted by a Secretariat appointed by the Director-General of UNESCO.

2. Significant accounting policies

a) Financial Statements

The WHF financial statements are maintained in accordance with the special financial regulations of the WHF as noted by the Executive Board of UNESCO at its ninety-third session. They are presented in United States dollars (US dollars).

b) Appropriations

Appropriations represent amounts that have been approved by the World Heritage Committee for different programme elements, which can be spent for the purpose for which they have been voted, to the extent that funds are available.

c) Income

Income is recognized on an accrual basis of accounting except for voluntary assessed and other contributions that are recognized only when funds are received.

d) Expenditure

Expenditure, which includes amounts for goods supplied and services rendered in the financial period as well as amounts for legal obligations of the financial period are recorded on a modified accruals basis of accounting.

e) **Translation of Foreign Currencies**

Transactions carried out during the period in currencies other than US dollars are translated to US dollars using the United Nations operational rate of exchange at the date of the transaction. At the year end, accounts expressed in currencies other than US dollars are translated at the UN operational rate of exchange then prevailing.

3. Earmarked income

Earmarked income relates to contributions received from donors for specific purposes. This income is used for project expenditures pertaining to the purpose of the donor's contribution. At the end of an earmarked project, any remaining balance is transferred to the operating reserves of the WHF, if desired by the donor.

4. Non-earmarked income

Non-earmarked income relates to contributions to the WHF which have no specific purpose. Funds so received are included with the operating reserve.

5. Cash and term deposits

These deposits are principally term deposits that are pooled with other UNESCO Special Accounts and Trust Funds. The average interest rate earned by these pooled term deposits was approximately 5.1%.

6. Compulsory assessed contributions receivable

Of the balance of \$374,925 due by States Parties at 31 December 2007, \$250,976 relates to 2007 assessments and \$123,949 to earlier years.

7. Contingency reserve

In accordance with the decision of the 31st World Heritage Committee meeting held in Christchurch, New Zealand (23 June – 02 July 2007), the contingency reserve has been set at a level of \$ 700,000.

8. Transfer (to) / from other funds

a) **Emergency Reserve Fund**

In accordance with Financial Regulations, Article 5.1, a reserve fund for emergency assistance has been agreed at a level of \$400,000 by the World Heritage Committee.

9 Savings on prior periods' obligations

The savings on prior periods' obligations represent the difference between the unliquidated obligation balance at the end of the period less the disbursements against the same obligation made during the current period when the obligation was liquidated.

10 Staff cost contribution

In the biennium UNESCO's Regular Programme provided services without charge to the World Heritage Fund in respect of the Secretariat administering the World Heritage Fund. The estimated cost of these services during the biennium was \$ 6,463,997.
