

The map displays the Meika Kulture and Balchit Archaeological and Paleontological Site, which is highlighted in red with a cross-hatch pattern. The site is located in a valley, surrounded by hills and mountains. Key locations marked on the map include Atebella, Wofi, Mogoro Wofi, Chofa, Garba & Gombore, Kella, Balchit, and various other sites like Dobi, Roben Jirecha, Kora, Balchit Majada, Meja Kella, Upper Qaye, Refeto, Lower Qaye, Simbiro, Dilala, Chofe, Gofu, and Goditi. The map includes contour lines, rivers, and a coordinate grid.

	Tree		Index contour		Atebella the property area		House		Open Grassland
	Atebella Center		Intermediate contour		Balchit the property area		Church		Scrub
	Balchit Center		Seasonal river		Garba & Gombore the property area		Tukul		Scattered Trees
	Garba and Gombore Center		High Tension Line		Kella the property area		Asphalt Road		Quarry
	Kella Center		Trail/Footpath		Simbiro the property area		All weather road		Builtup Area
	Simbiro Center				Wofi the property area		Very wide river		Farmland
	Wofi Center				The Buffer zone		Water Reserveware		Holticulture
	Potential Future Research Area				Threats of population settlement and development pressure		Christian Cemetery		Open Area
