9.3.2	The State Party is using the Capacity Building Strategy for the implementation of capacity building at the regional/sub-regional level.	X	
9.3.3	The State Party is using the Capacity Building Strategy to identify capacity building priorities.	X	
9.3.4	The State Party is using the Capacity Building Strategy by fundraising to support capacity building programmes.	X	
9.3.5	The State Party is using the Capacity Building Strategy by raising awareness about the need to conserve and manage cultural and natural heritage.	X	

9.4 - Does the State Party have a national training/educational strategy to strengthen capacity development in the field of heritage conservation, protection, presentation and management?

There is **no national strategy** for capacity development in the field of heritage conservation, protection, presentation and management but this is **being done on an ad hoc basis**.

9.5 - Comments: Please provide any additional comments, conclusions and/or recommendations related to Capacity Development (Questions 9.1 to 9.4).

Canada is not admissible to the Capacity Development program. In Canada's federal system, training and education in support of heritage protection and conservation is undertaken within the various federal, provincial, territorial agencies responsible for natural and cultural heritage. Formal education in fields related to cultural and natural heritage conservation and management are offered through the public education system at colleges and universities.

10. Policy and Resourcing of World Heritage Properties

10.1 - If there are principal pieces of legislation specific to the protection, conservation, presentation and management of World Heritage not listed in 5.1 (which focuses on policy general to all heritage), please list them here.

10.2 - Please describe briefly how legislation and/or regulations at other levels contribute to the identification, conservation and protection of the State's Party cultural and natural heritage. Please provide web links for the legislation listed above.

10.3 - Are the services provided by agencies/institutions adequate for the protection, conservation, presentation and management of World Heritage properties in your country?

There is **adequate capacity** within services to protect, conserve, present and manage World Heritage properties.

10.4 - How does the State Party encourage and support World Heritage properties to manage and develop visitation/tourism

sustainably?

By facilitating network cooperation and stakeholder engagement through the development of governance structures or other mechanisms for cooperation

10.5 - Please indicate here any additional information or clarify how the State Party supports sustainable tourism planning and management at a property level.

10.6 - Does the State Party require the use of impact assessments for programmes (e.g. strategic environmental assessments) or development projects (e.g. environmental impact assessments, heritage impact assessments) that may have an impact on the World Heritage property, its buffer zone and the wider setting?

There is a **regulatory framework** that requires the use of impact assessments for programmes or development projects and it is **effectively implemented**.

10.7 - Please list the different assessment methods used. Please provide weblinks to the guidance for the assessment methods.

10.8 - Does the State Party have a national capacity building strategy for World Heritage conservation, protection, presentation and management?

There is **no national capacity building strategy** in relation to World Heritage conservation, protection, presentation and management **but capacity building is being done on an ad hoc basis**
