15.9. Comments

15.9.1 - Comments, conclusions and/or recommendations related to the Assessment of the Periodic Reporting Exercise

Some questions are unclear whether they are asked about World Heritage alone or natural/cultural heritage in general (e.g. 8.1, 8.3, 8.6). In these cases the answer is based on the latter. The Greenlandic government has world heritage as an area of responsibility, but is related to UNESCO as part of the Danish Commonwealth, i.e. via Denmark. The questionnaire does not suit this situation and gives little opportunity to draw out the differences in e.g. legislation.

15.9.2 - Thank you for having filled in all the questions.
