Agra Fort is one of the most important and well-known forts in India is situated on the west bank of Yamuna. Its imposing red sandstone ramparts form a crescent along the riverfront which encompasses an enormous complex of royal buildings, ranging in style from the early eclecticism of Akbar to the sublime elegance of Shah Jahan. The opulent Agra Fort is made using red sandstone and marble and features the Mughal style of architecture.

4.1.6 - Please comment as necessary on how the factors selected as relevant in 4.1 are affecting the property either negatively or positively

The development around Agra Fort is in a planned manner and regulated. As the number of tourists is constantly increasing, activities relating to tourism are also increasing accordingly, thus providing livelihood opportunity to many locals. Tourists accommodation facilities are adequate. Proper interpretation facilities are provided at the site.
