UNITED NATIONS EDUCATIONAL, SCIENTIFIC AND CULTURAL ORGANIZATION

CONVENTION CONCERNING THE PROTECTION OF THE WORLD CULTURAL AND NATURAL HERITAGE

WORLD HERITAGE COMMITTEE

Twenty-eighth session

Suzhou, China
28 June – 7 July 2004

Item 14 of the Provisional Agenda: Tentative Lists of States Parties submitted as of 15 May 2004 in conformity with the *Operational Guidelines*

SUMMARY

This document presents the Tentative Lists of all States Parties submitted in conformity with the *Operational Guidelines* as of 15 May 2004. The Committee is requested to note that all nominations of properties to be examined by the 28th session of the Committee are included in the Tentative Lists of the respective States Parties.

In order to provide the World Heritage Committee with a greater opportunity to review new additions to the Tentative Lists, this document is completed by 3 annexes:

- Annex 1 presents a full list of States Parties indicating the date of the most recent Tentative List submission.
- Annex 2 presents new Tentative Lists (or additions to Tentative Lists) submitted by States Parties since the last session of the Committee.
- Annex 3 presents a list of all properties submitted on Tentative Lists received from these States Parties, in English alphabetical order. Property names are listed in the language in which they have been submitted by the State Party.

Draft Decision 28 COM 14A: see page 2

Examination of Tentative Lists

1. The Committee requests each State Party to submit to it an inventory of the cultural and natural properties situated within its territory, which it considers suitable for inclusion and it intends to nominate for inscription to the World Heritage List during the following five to ten years. The purpose of these inventories, also known as Tentative Lists, is to enable the Committee to evaluate within the widest possible context the "outstanding universal value" of each property nominated to the List. At its 24th session (Cairns, 2000), the Committee confirmed the importance of these Lists for planning purposes, comparative analyses of nominations and for facilitating the undertaking of the global and thematic studies. It also decided that the Tentative Lists would be **mandatory for all properties** which the State Party intends to nominate for inscription on the World Heritage List.

2. Therefore, the Committee invites the States Parties, which have not yet done so, to submit as early as possible Tentative Lists in accordance with the *Operational Guidelines*, with the understanding that "preparatory assistance should be provided if necessary and requested by the State Party concerned".

3. Furthermore, it is useful to recall the recommendations of the 12th General Assembly of States Parties (October 1999) concerning Tentative Lists.

The General Assembly invited:

- all States Parties to prepare or re-examine their tentative lists in the light of the methodology developed and regional and thematic definitions by focusing on categories of heritage which are still under-represented on the List;
- the States Parties that already have a substantial number of sites inscribed on the World Heritage List to initiate and encourage bilateral and multilateral co-operation with States Parties whose heritage is still under-represented in the List within the framework of the preparation of tentative lists, nominations and training programmes, and to give priority to the re-examination of their tentative lists within the framework of regional consultations and to the preparation of periodic reports;
- the States Parties whose heritage is still under-represented on the List to give priority to the preparation of tentative lists and nominations;
- the advisory bodies to pursue their programmes of thematic studies and the classification of the themes into sub-themes, on the basis of the tentative lists prepared by States Parties and the recommendations of the regional experts meetings;
- the Secretariat of the *Convention* to support in particular the efforts of States Parties whose heritage is still under-represented on the List in the preparation of their tentative lists and nominations.

4. As of 15 May 2004, of the **178** which had ratified the *Convention*, **134** States Parties had submitted Tentative Lists in accordance with the requirements specified in the *Operational Guidelines*, **44** States Parties had not submitted any Tentative List. All the nominations submitted for examination in 2004 (see WHC-04/28.COM/14B) are included on the tentative lists of the States concerned.

5. In response to the decision of the Committee (Decision **27 COM 8A**, para 4) this document presents for the first time the Tentative Lists submissions received since the last session of the Committee as a separate annex. Since the 27th session of the Committee, **31** States Parties had submitted new Tentative Lists or modified existing Lists. The number of new properties added to the Tentative Lists by these changes is **106**. These properties are presented in Annex 2 of this document.

6. In compliance with the Committee decision **27 COM 8A** para 5, the complete Tentative Lists of all States Parties are accessible to the public at the following web address: <http://whc.unesco.org/tentative-lists.htm>.

Draft Decision 28 COM 14A

The World Heritage Committee,

1. Takes note of the Tentative Lists presented in Annexes II and III of this document;
2. Recognizing that the full agenda of the Committee at its 28th Session does not allow a discussion concerning the improved use of Tentative Lists as requested by the Committee in its decision 27 COM 8A,
3. Decides to include on the Agenda of its 29th session an item concerning the improved use of Tentative Lists;
