WORLD HERITAGE COMMITTEE

Thirty-first session

Christchurch, New Zealand

23 June-2 July 2007

**Item 20B of the Provisional Agenda : Presentation of the budget proposal
for the World Heritage Fund for the 2008-2009 biennium**

SUMMARY

In accordance with Article 4.1 of the Financial Regulations for the World Heritage Fund, the resources of the Fund can only be used for activities defined by the World Heritage Committee.

In this document, the World Heritage Centre presents the budget proposal for the World Heritage Fund for 2008-2009 in accordance with Decision **28 COM 11** (Suzhou, 2004) and the format adopted by the 6th extraordinary session of the World Heritage Committee (UNESCO, 2003).

Draft Decision: 31 COM 20B, see Point II.

I. WORLD HERITAGE FUND BUDGET FOR 2008 - 2009

A. WORLD HERITAGE FUND BUDGET PROPOSAL FOR 2008 - 2009

1. In accordance with Article 4.1 of the Financial Regulations for the World Heritage Fund, the Centre presents to the Committee, in **Annex I**, a budget proposal for 2008-2009 totalling USD 6,416,464, according to the structure adopted by the Committee (Decision **6 EXT.COM 6**).
2. By Decision **6 EXT.COM 6**, the structure of the budget was revised to reflect, in particular, the relationship of activities under the *Convention* with the four strategic objectives (**Credibility** of the World Heritage List, **Conservation** of World Heritage properties, **Capacity-building** of States Parties and **Communication**). However, it is difficult to provide an exact breakdown because of the need to regroup the items of the Advisory Bodies and because of the International Assistance modifications decided by the Committee.
3. Following examination of the financial situation at 31 December 2006, the satisfactory results must be consolidated through prudent management. Taking into account all the elements contained in the annexed tables, the World Heritage Centre proposes a budget of USD 6,416,464 for 2008-2009. This amount represents the total income received at 31 December 2005 with the exception of funds originating from other sources.

B. COMMENTS ON THE PROPOSED BUDGET

4. For the biennium 2008-2009, the budgetary structure of the Regular Programme for the Culture Sector for presentation to the General Conference next October, foresees only one Main Line of Action for the World Heritage. In view of the debates of the Executive Board during its 176th session on the C/4 and the C/5, it could be envisaged to further reinforce the Centre's budget, if the scenario zero real growth (USD648.3M) is retained.
5. For the sake of coherence, the World Heritage Centre has included in Action 1, « Support to World Heritage statutory bodies », the activities of the Advisory Bodies. The studies, evaluations and management and information systems complete this chapter.
6. Action 2 concerns the promotion of a representative World Heritage List, balanced and credible and refers to details concerning increased protection of World Heritage properties including threatened sites
7. The general operating expenses are financed solely by the UNESCO Regular Programme. The amount foreseen is similar to the preceding exercise, taking into account inflation and the exchange rate of the USD/Euro.
8. Staff costs of the Centre covers only the established posts financed under Regular Programme. The temporary or not established posts are financed by other sources. The associate experts are mentioned on a separate line.
9. The Advisory Bodies provide their services in accordance with the *World Heritage Convention* and the *Operational Guidelines*: evaluation of nominations for inscription, meetings of the Advisory Bodies with the World Heritage Centre, evaluation of requests for International Assistance, reactive monitoring missions, training activities and

participation in expert meetings. The Advisory Bodies have presented provisional budgets, *in extenso*, in **Annex II**. ICOMOS and IUCN have presented provisional budgets showing somewhat important increases which are discordant with the reduced provisional budget of the World Heritage Fund.

10. The extrabudgetary funds contained in the table represent firm commitments as at 31 December 2006 and, hence these figures are provisional. Other commitments will be confirmed before 31 December 2007. These types of funds have a different lifespan depending on the types of projects and do not comply with annual or biennial exercises.
11. In accordance with the Decision 176 EX/PLEN/DR.1, Section II, the tables contained in Annex I present a budget proposal based on USD 648,3 M scenario. In this case, the amount foreseen in the framework of the Regular Programme for the Main Line of Action N° 1 is USD 4,314,900. UNESCO resources finance Headquarters expenses, on the one hand, and, on the other, decentralized activities under the responsibility of the Regional Offices, as follows :
 - a) World Heritage Centre running costs including the organization of all the statutory meetings, missions in the framework of World Heritage activities, temporary support assistance for activities financed by the World Heritage Fund and extrabudgetary funds, as well as general operating expenses;
 - b) Decentralized Regular Programme funds are the responsibility of the Regional Offices. Each Programme sector must decentralize a percentage (approximately 50 %) and the World Heritage Centre, as an integral part of the Culture Sector, is subject to this rule.

II. DRAFT DECISION

Draft Decision : 31 COM 20B

The World Heritage Committee,

1. Having examined Document WHC-07/31.COM/20B,
2. Approves World Heritage Fund budget of USD 6,416,464 for the 2008-2009 biennium and the corresponding breakdown annexed to Tables 1 to 3 ;
3. Requests the World Heritage Centre to report upon the budgetary execution in accordance with the format adopted by the Decision **6 EXT.COM 6**, including all funding sources, at each Committee session, in the framework of its annual report.
