Paris, December 1994  
Original: English

UNITED NATIONS EDUCATIONAL,  
SCIENTIFIC AND CULTURAL ORGANIZATION

CONVENTION CONCERNING THE PROTECTION OF THE  
WORLD CULTURAL AND NATURAL HERITAGE

BUREAU OF THE WORLD HERITAGE COMMITTEE

Eighteenth session  
Phuket, Thailand

9-10 December 1994

**Item 5 of the Provisional Agenda: Reports on the State of Conservation of Specific Properties to be examined by the World Heritage Committee at its eighteenth session**

The World Heritage Committee will have to examine, under agenda item 9, forty-four reports on the state of conservation of properties inscribed on the World Heritage List. A list of the properties is annexed for reference, as well as the corresponding section of Working Document WHC-94/003/6. It is suggested that the Bureau prepares this agenda item by undertaking the following:

1. Examine the reports included in Section C of Working Document WHC-94/CONF.003/6 and in the documents prepared by the advisory bodies;
2. Prepare recommendations on each of the state of conservation reports for presentation to and adoption by the World Heritage Committee;
3. Identify which state of conservation reports should be presented to and discussed at the plenary session of the World Heritage Committee. The Secretariat proposes that the reports on the properties of which the names on the attached list are printed in **bold** be presented to the plenary session of the World Heritage Committee.

- Att.: - List of sites on which reports are included in the working documents prepared by the Secretariat and the advisory bodies
- Section C of Working Document WHC-94/003/6: Reports on the State of Conservation of Specific Properties

List of sites on which reports are included in the working documents prepared by the Secretariat and the advisory bodies:
